ORDER TO SHOW CAUSE

Re: Dkt. No. 13

22 Plaintiffs filed an administrative motion to consider whether material designated as
23 confidential by Meta and Patreon should be sealed. Pursuant to Civ. L. R. 79-5(f), a designating
24 party seeking to maintain material under seal must, within seven days of the filing of such a
25 motion, file a declaration establishing that the designated material is sealable. Meta complied with
26 that rule, *see* dkt. no. 18, but Patreon did not. Accordingly, Patreon is ORDERED TO SHOW
27 CAUSE why the material identified in Plaintiffs' administrative motion should not be unsealed.
28 Within seven days, Patreon shall respond by either: 1) filing a statement that the material may be
filed in the public record and need not be sealed; or 2) filing a declaration that meets the
requirements of Rule 79-5(c)(1) as to the designated material.

IT IS SO ORDERED.
